CALL FOR PAPERS

REFRACTORY INNOVATIONS

in the ASIA PACIFIC

The organising committee now calls for technical papers and/or presentations to be included in our program for the 9th December conference/seminar.

Abstracts should be received by 30th June 2024. These will be peer reviewed by the branch to ensure minimum standards regarding undue commercial content. Full papers of suitable standard may be chosen for publication in our international Refractories Journal.

(Review committee comprises: Dr P. Walls, Dr W. Wright, Mr M. Walton).

Please submit your abstract to:
australia@ireng.org

Note: In the case where we are over-subscribed for papers or presentations, we will request that participants present their paper at our next conference.
